

TempSir *Single-Use Temperature Data Logger*

Precise Visibility of Your Cold Chain

Able to log up to **90 days**, rest assured that by using our temperature data loggers, you and your customer will know the condition of your goods at every point during delivery.

Avoid the hassle of asking your customers to send back a reusable data loggers. Our Temperature Loggers are plug and play, with no additional software needed. Each unit undergoes full quality testing and comes with a calibration certificate.

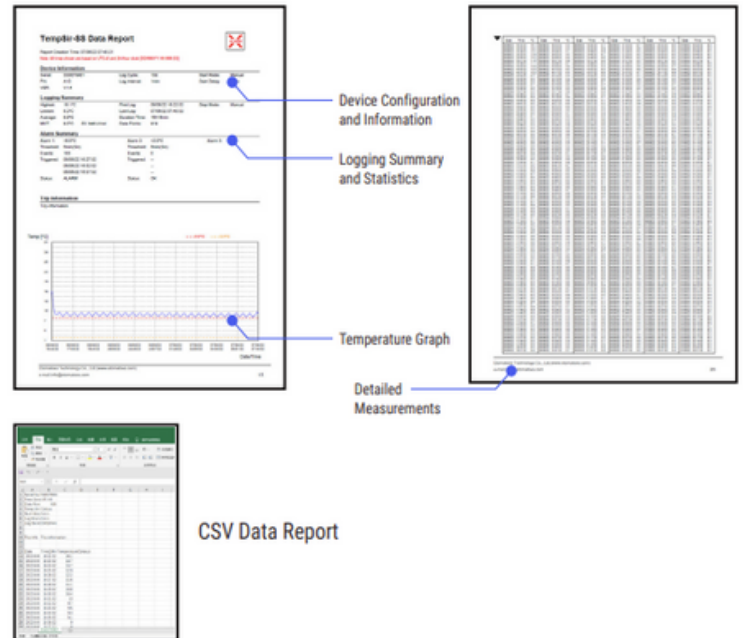

Features

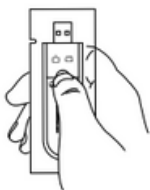

- Automatic and quick PDF & CSV report generation with no additional software required
- Safe and Reliable - Creates an Encrypted Report
- Includes a Calibration Certificate, Quality Guaranteed.
- Easy to use: Press to Start Logging
- High Accuracy: $\pm 0.3^{\circ}\text{C}$
- Waterproof - IP 67

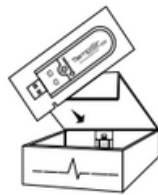

Technical Specifications	
Model	TempSir-SS
Product Type	Single-use
Stored Points	16000 Points
Temperature Unit	$^{\circ}\text{C}/^{\circ}\text{F}$
Measurement Range	$-30^{\circ}\text{C} \sim +70^{\circ}\text{C}$
Accuracy	$-20 \sim 40^{\circ}\text{C}$ ($\pm 0.3^{\circ}\text{C}$) Other: $\pm 0.5^{\circ}\text{C}$
Resolution	0.1°C
Shelf Life	18 months
Battery	CR2032 (Wide Temp)
Certificate	CE, RoHS, EN12830, CNAS, FCC, DO160, UN38.3
Automatic Report	PDF & CSV
Connection Interface	USB 2.0
Water Proof	IP 67
Dimension	95*44*7mm
Weight	Approx.10g

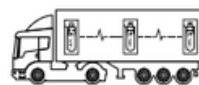

CSV Data Report

01 Start the logger

02 Place the started logger to the shipment

03 Entire cold chain monitoring

04 Connect to PC and get the data reports
